Commissioner for Patents

Dear Applicants

This communication is in regard to an error found in the original specification during issuing and publication process.

In the specification submitted on April 4<sup>th</sup> 2004, page 98 lines 22 and 29 and page 99 line 20, give reference to a co-pending foreign application as "NPS041" which believed to be an attorney docket number not the corresponding application number.

Since the application is in its final stage of issue into a patent, please make all necessary corrections as soon as possible to avoid any further delay.
